

Aciana

AOP Luberon - Rosé 2021

Organic wine

Behind its pale salmon color, this rosé is a true gastronomic wine. It reveals a refined bouquet of citrus fruits and white flowers. Aciana reveals itself sublimely after a year of ageing.

Blending

- 65% Grenache noir
- 20% Vermentino
- 15% Syrah

Age of the vines

This wine comes from a parcel selection of vines with an average age of 25 years.

Food pairing

This rosé finds its right match with grilled fish or roasted peaches for dessert. Ample, the mouth is coated with a nice fat, supported by a fresh and delicate frame. A lot of brightness for this intense and persistent gastronomic rosé.

Cultivation method

ECOCERT organic certification since the 2020 vintage. Double cordon de royat pruning, disbudding. Working of the soil (ploughing).
